Form 1023, revised 20230630

PLANT INDUSTRIES DIVISION

APPLICATION and RENEWAL for a FEED EXEMPTION LICENSE

For the Calendar Year ending December 31, _____

Instructions - Complete and submit to the Arkansas Department of Agriculture, ATTN Feed Section, 1 Natural Resources Dr., Little Rock, Arkansas 72205. Make checks payable to Arkansas Department of Agriculture. This application may also be emailed to feed@agriculture.arkansas.gov and paid for online at a link found at the bottom of the forms page.

*Important - **An application is required for each plant location.***

The applicant understands that such exemption applies only to those concentrated commercial feedstuffs and the ingredients to be used in compounding same which are manufactured or mixed and used for feeding to poultry or livestock owned by such manufacturer or mixer. In addition, exchanges of feed or feed ingredients between or among integrated operators, who have been granted an exemption license are not considered commercial feed transactions.
