Select the paper clip icon on the left-hand side of this form to view a list of Seed Lab fees

This form should be used when submitting samples to the Arkansas Department of Agriculture Seed Lab. The analysis fee should be included with this form and the seed sample, unless other arrangements have been made. If you want the Department of Agriculture to print analysis tags ($0.10 each), the variety must be stated and the sample must be taken from cleaned, bagged seed by an Arkansas Department of Agriculture Inspector. (If ordering tags, list only one lot per page)
