Scholarship Opportunities Available for Students Studying Veterinary Medicine

LITTLE ROCK, AR— The Arkansas Department of Agriculture is now accepting applications for the 2024 Arkansas Rural Veterinary Scholarship program. Applications will be accepted through July 1, 2024.

“The Arkansas Department of Agriculture is pleased to administer Act 706 which was sponsored by Senator Ricky Hill, Senator Missy Irvin, Senator Greg Leding, and Representative Deann Vaught during the 2023 legislative session and will provide scholarship funding for students seeking veterinary careers in Arkansas,” said Arkansas Secretary of Agriculture Wes Ward.

Recipients of the rural veterinary scholarship may receive up to \$15,000 per year for up to four years. Applicants must be enrolled in or entering a post-graduate degree program in veterinary medicine at an institution of higher education. Applicants must agree to work full-time upon graduation in rural Arkansas or for a licensed veterinary practice with at least 50 percent of the practice being food animals.

Selections will be based on academic achievement, character, leadership, career plans, and financial need.
