Water/Wastewater Funding Applications

The Waste/Wastewater Advisory Committee is required to review all projects seeking funding from ANRC. A copy of the WWAC recommendation letter must be attached to the ANRC Funding Application. You can learn more about this committee by clicking [here](#).

The following documents are required as part of the request for funding process:

- [ANRC Funding Application](#)
- Current Signatory Authority Resolution: [one person form](#) | [two person form](#)
- Application may be scanned and submitted via email to ANRC.Applications@arkansas.gov

The **ANRC Funding Application** is used for requesting grants, deferred loans or loans from the ANRC funding programs.

The **Signatory Authority Resolution** simply tells ANRC who the official representative of the entity will be for that project.

APPLICATION PROCESS

1. ANRC Funding Application Form & Signatory Authority Form completed & signed, submitted to ANRC
 - *Water and Wastewater Advisory Committee requirement is waived for Levee applications
2. ANRC Staff review application, request additional documentation & information as needed
3. ANRC staff underwrites the application

APPLICATION PROCESS

5. Application status letter with proposed funding package sent to applicant
 6. Applicant responds to proposed funding package
 7. Staff makes recommendation to Arkansas Natural Resources Commission
- 

**Staff Recommendations are presented to the
Arkansas Natural Resources Commission**

The Commission Determines Funding
