  - Phone: (501) 679-3581 Fax: (501) 679-3500
If funds are available and the initial loan request is approved, the following items will need to be provided:

- Quote or invoice from vendor – include name of vendor, address, telephone #, and fax #
- Copy of current title, front and back (if applicable)
- Clear, color picture of the property
- A recent passing pump test (if applicable)

If a loan is approved RFP will notify the fire department.

- RFP will issue the loan agreement and bill of sale. The original signed forms must be returned.
- The vendor will need to provide a W-9 if not a current vendor to the State of Arkansas
- The fire department will need to provide a check made out to the Arkansas Department of Agriculture – Forestry Division for the 25% down payment.
- A check will then be issued from the Rural Fire Protection Revolving Loan Fund addressed to the vendor (not the fire department). The fire department will then either need to pick up the check from the RFP office at Greenbrier, or the check can be mailed directly to the fire department to complete the payment process. It is encouraged the fire department ensures the product meets satisfaction before releasing the check to the vendor.

Once in receipt of the item the fire department will be responsible for the following (when applicable):

- Mailing the title to the Rural Fire Protection office, at address indicated below, and listing the Arkansas Department of Agriculture – Forestry Division as the lien holder. RFP will hold the title until the loan is paid in full. Copies are not acceptable.
- Provide proof of insurance, with Arkansas Forestry Division as the lien holder, until the balance of the loan has been satisfied.

Keep in mind the first quarterly payment is due 3 months after the loan’s approval. RFP will mail out statements to the fire department reminding of payment and balance due.

**Note:** The Rural Fire Protection office reserves the right to change the requirements for a loan and items a loan is available for without prior notification. Each case will be considered carefully. Loans are available as funds for the revolving account allows.
