Wes Ward  
Secretary of Agriculture

## PEST CONTROL PROGRAM TESTING

To Whom It May Concern:

The Arkansas Department of Agriculture will continue to provide testing to register agents and license operators; in order to keep applicators in compliance and operational. Testing will be at the Little Rock office and will be limited to 9 people on a given test date (Pest Control Program staff will only allow this many people to test in a room at a time, more people will be testing if more rooms become available). Anyone planning on testing **MUST** sign up ahead of time. If you have not pre-registered and the room is at capacity, you **WILL** be turned away.

If you feel sick or have underlying health conditions, please stay at home. This policy is subject to change daily due to the evolving corona virus situation.

**Anyone signed up for testing will need to call Pest Control Program Staff the day of testing to ensure testing has not been canceled.**

The link to the testing preregistration form can be found below. If you have any questions, feel free to contact the following Arkansas Department of Agriculture staff at their direct lines:

Seth Dunlap – 501-219-6320

Andrew Simpson – 501-219-6319

Julie Wilson – 501-219-6318

Donna Wilkerson – 501-219-6325
