PREPAREDNESS MISSION

Are you ready
for a wildland fire?

Mission 1: Know Your Area

A wildland fire can happen anywhere there are plants living outside. That includes a forest, grasslands, or even a swamp.

Draw a picture of what the outdoors looks like where you live.

Mission 6: Post Your Information

For your final RSG Mission, have a parent fill out the information below and help them post this sheet in a place where everyone in the family can see it.

Important Information:

Parent's Cell Phone: _____

Other Cell Phone: _____

Family Friend's Name: _____

Phone Number: _____

In Case of an Emergency Call: 9-1-1

Mission 5: Go!

Sometimes it will be safer to **GO**, moving away from the wildland fire. Make sure you follow the directions of the firefighters and your parents. Both want you to be safe and away from a wildland fire.

Mission 2: Get to Know Your Firefighter

Firefighters wear different clothing when they fight different kinds of fires, depending on the kinds of fires they fight.

Mission 3: Be *Ready*

Having a clean yard helps get your home **READY** for a wildland fire. Color the leaves that Garrett is helping his dad rake.

Mission 4: Get *Set*

To get their safety kits **SET** in case of a wildland fire, Sarah and Caroline are packing their safety kits with their mom. Their mom adds water and snacks while Sarah adds her teddy bear and Caroline brings her doll. Help add color to their safety kits.
