

Resolution No. 2019-01
of the
Arkansas Natural Resources Commission
A Resolution to Recognize Mr. Edward C. Swaim for his
Contributions to the State of Arkansas

Whereas, Mr. Swaim has provided exemplary service to the state of Arkansas since 1995, when he began working as an attorney for the Commission;

Whereas, Mr. Swaim's genuine interest in and commitment to improving Arkansas's waters has positively impacted all ANRC programs;

Whereas, Mr. Swaim is deeply respected and admired for both his knowledge of water law and ANRC programs;

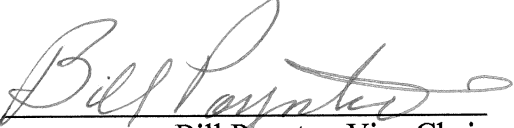

Whereas, Mr. Swaim helped bring safe, reliable water to countless Arkansans and will continue to champion water conservation through his service as Bayou Meto Executive Director;

Whereas, Mr. Swaim will be greatly missed by his friends and colleagues at ANRC;

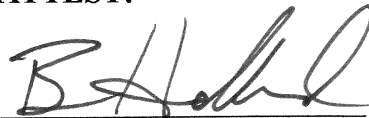

Now therefore, be it resolved in unanimous accord by the members of the Arkansas Natural Resources Commission assembled in Little Rock on March 20, 2019, that Edward C. Swaim be duly recognized for his leadership and many other contributions to water quality and sustainability in Arkansas.

Adopted this 20th day of March, 2019.
