(Little Rock) - The **Arkansas Natural Resources Commission** announced today, approval of a grant in an amount up to \$10,000 from the Water Development Fund to the town of Widener (St. Francis County), according to **Commission Chairman Don Richardson**. Approval of these funds is contingent upon the town establishing and maintaining a 6% depreciation reserve fund.

"These funds will be used to replace bridge hangers holding the water line on the Burnt Cane Bridge," said **Mark Bennett, ANRC Water Development Division Manager**.
