

RESOLUTION NO. 2003-4
of the
ARKANSAS SOIL AND WATER CONSERVATION COMMISSION

**A RESOLUTION RECOGNIZING MR. DAVID G. MEADOR
FOR HIS MANAGEMENT OF ARKANSAS WATER AND WASTEWATER
FUNDING PROGRAMS**

WHEREAS, Mr. David G. Meador began his employment with the Arkansas Soil and Water Conservation Commission November 4, 1985, as the Water Resources Development Division Chief;

WHEREAS, the Division, under his leadership, has since expanded from three to eight state and federal assistance programs providing funding assistance to eligible entities for water, wastewater, solid waste, drainage, flood control, and other projects;

WHEREAS, the responsibilities of the division have increased due to his reliable presence;

WHEREAS, Mr. Meador served on the quality management team responsible for development of the statewide technical and financial review process of potential water and wastewater development projects leading to the Water/Wastewater Advisory Committee, of which he has served as Chair since its inception;

WHEREAS, the Water/Wastewater Advisory Committee program has inspired much interest and duplication by other States;

WHEREAS, the Executive Director's office frequently receives calls praising the assistance provided by Mr. Meador;

WHEREAS, the Safe Drinking Water Fund was developed by the Agency under Mr. Meador's supervision and the Clean Water State Revolving Loan Fund was transferred to the agency during Mr. Meador's supervision;

WHEREAS, the Water, Waste Disposal, and Pollution Abatement Facilities General Obligation Bond Program and the Arkansas Water Resources Development General Obligation Bond Program were developed under his leadership;

WHEREAS, Mr. Meador provides leadership for the management of the Water Resource Development funding programs loan and grant portfolio currently in excess of \$560 million and that during Mr. Meador's tenure with the Commission, the Commission has awarded over \$940,082,237 in loans and grants to all but one of Arkansas' 75 counties for water and waste water development projects;

WHEREAS, Mr. Meador was known for remembering even the most obscure details of projects long forgotten;

WHEREAS, Mr. Meador's vast knowledge of state resources has contributed to the successful construction of multiple funded state and federal projects;

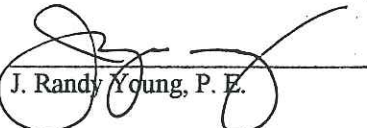

NOW THEREFORE, BE IT RESOLVED IN UANANIMOUS ACCORD BY THE MEMBERS OF THE ARKANSAS SOIL AND WATER CONSERVATION COMMISSION assembled in Little Rock, July 16, 2003, that in appreciation for his service, he should be recognized for his farsightedness, untiring service to the State of Arkansas, and for his efforts in developing Arkansas' soil and water resources.

Adopted this 16th day of July, 2003.

ARKANSAS SOIL AND WATER CONSERVATION COMMISSION
