WAIVER OF LICENSE RENEWAL FEES OF THE WATER WELL CONSTRUCTION COMMISSION

By the authority of Governor's Executive Orders 20-03, 20-06, and 20-16, the Department has temporarily suspended provisions of the following laws and rules concerning the payment of license renewal fees: Ark. Code Ann. § 17-50-311 and Water Well Construction Commission Rules Section 3.4.

The Department will waive renewal fees for licenses and certificates for contractor's licenses, driller's licenses, pump installer's licenses, and apprentice certificates until July 31, 2020. Applications for renewal must still be submitted by July 31. Renewal fees will not be waived for applications received after the July 31 deadline and the standard late fees will apply. Fees for drill rigs and pump installation permits are still in effect.
