

PLEASE READ

Arkansas Forestry is working with Fire Departments and other Agencies to hold classes.

The classroom seating will be set-up for 6 feet of space, in all directions, for social distancing.

This shall be done before the class starts, as not to decrease time spent on the class material.

Please visit the Arkansas Department of Health website for the Visitor Screening Toolkit and Mask Requirements.

Students should contact the hosting agency to ensure seating is available.

Tables and chairs must be cleaned prior to each class session.

Students shall wear a mask when distancing is not possible or moving about the room.

Students who have had the class before need not attend.

This allows us to offer the class to students needing to be certified.

If a class is scheduled and the State of Arkansas Guidelines are not met when the Instructor arrives, the class will be canceled .

Thank you.
