Danette Lawrie April 2/21

To Plant Board Members,

Please, please do not extend
 the time dicamba can be
 sprayed into June and July

I have had great damage
 to my trees + plants. I called
 for help from the county agent
 to come and see the damage
 He came! and saw the
 damage.

My children and I have
 more than 6000 acres of land
 in Poinsett + MISSISSIPPI County

I'm well aware of what chemicals
 are needed for farming

You are there for our protection
 My cousin Ernest Potter serves on
 this Board year ago -

This is Not a chemical to
 increase in time. Its very
 damaging after May Danette Potter Lawrie
