Pesticide Division

April 12, 2021

I and my family have farmed in
Boisett and Mississippi Counties for
over 100 years. We are totally against
the use of Dicamba herbicide. Why
would the Plant board agree to
Extend the use of this harmful
chemical? — I would appreciate

POSTNET MAILING SERVICE

an answer — It makes no sense.
Is someone on the Plant board doing a
favor for someone? Thank you —
