➤ **SECTION IV – PROCESSOR/HANDLER INFORMATION**

Fill out your planned processing or handling information below.

1) Indicate the focus of your 2021 calendar year (FY2021-FY2022) project (check all that apply).

Grain

Fiber

Floral Material (CBD, Other Phytocannabinoids, terpenoids, or any other extracts)

Handler (Seed Cleaner) or

Other Service Provider: Indicate Type: _____

2) Are you or other listed signing authorities or key participants a current Department employee(s) or do any listed signing authorities or key participants have any related family working as a current Department employee?

Yes

No

“Family” means spouse and children, as well as a person who is related to a public servant as any of the following, whether by blood or adoption: parent, brother, sister, grandparent, grandchild, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half-brother, half-sister.

3) If you answered “Yes” to question 2, complete the following table. If “No”, skip to question 4.

Applicant (Signing Authority/Key Participant)	Name a current Dept. employee who is a family member	Relationship	Dept. Office, if known

4) **RESEARCH PLAN.** Explain in detail the industrial hemp research you are interested in conducting on behalf of the Program. Include a written statement of the research objective(s) and data or observations to be collected and reported to the Program. This written statement of the research objective(s) constitutes a written agreement between the license holder and the Program. Incomplete answers to this question may result in the applicant’s denial for program participation; **The Department is not required to request additional information for clarity of the application.** Provide details of your overall research business plan, including, what you intend to accomplish in 2021 and how you will achieve it. Attach additional sheet(s) of your proposed research plan(s) to this application.

Have you attached a research plan as referenced above?

Yes

No

5) **ACQUISITION OF INDUSTRIAL HEMP MATERIALS:** Identifying and purchasing industrial hemp materials is the responsibility of the participant, not the Department. Explain your industrial hemp material acquisition plan by indicating the material you intend to process, handle, or store, by completing the table below.

List the raw hemp materials you plan to acquire for processing or handling. If processing, include the intended products resulting from your processing research of industrial hemp. *What types of hemp materials are you handling/processing? What types of products and byproducts are you producing and what are their intended uses?*

	List Raw Hemp Material	List Products and/or Byproducts, and intended use
1.		
2.		
3.		
4.		

6) What is your intended marketing plan for the 2021 season? Be sure to specifically indicate the name of any hemp growers you are working with. You must attach to this application a Letter of Intent (LOI) from at least one licensed grower. If you are self-processing, a Grower Application must be submitted with your Processor/Handler Application. **(Attach LOIs and marketing plan(s) as needed to this application)** Have you attached a LOI and/or marketing plan as mentioned above?

Yes No Self-Processing

Please note that you may be asked to provide your intended growers a LOI as a part of their Grower License Application

7) If processing grain or floral material, do you intend to produce food grade products?

Yes No

Note: The Department has the authority to collect and retain samples of industrial hemp and any products derived from all industrial hemp in the possession of a Licensed Processor/Handler.

- a. If final products are any type of consumable and are intended for human consumption (food, tinctures, etc.) the processor/handler is responsible for obtaining any required food safety permits. The processor is responsible for checking with state & federal authorities for these requirements.
- b. Industrial hemp for food for human consumption must be tested with a third-party laboratory for non-approved pesticide or herbicide use.

8) Do you intend to use existing infrastructure to handle or process industrial hemp?

- Yes **If “Yes”, describe your existing infrastructure (buildings and equipment) below in 8a) or attach additional attachments to this application, if needed.**
- No **If “No”, explain your plans to develop the infrastructure (buildings and equipment) necessary to handle industrial hemp for your proposed research below in 8a) or attach additional attachments to this application, if needed. List the specific equipment you intend to use.**

8a)

9) Provide a timeline for the critical steps supporting your 2021 (FY2021-2022) research activity – *i.e.* when you will acquire equipment & have it in place, when you will receive materials, when you expect to generate and sell products, etc. **Attach additional attachments to this application, if needed.**

10) PROCESSING/HANDLING LOCATIONS (\$100 for each Processing/Handling Location ID)

Enter "Location ID" information for requested PROCESSING/HANDLING addresses in the tables below. **Unique Location ID names are assigned by the applicant, for example: "PROCESSING 1," "LABORATORY," etc.** Attach copies of this page if you have more than three processor/handler street address locations. Attach maps of each address listed. Storage location information is located on the next page. Refer to the 2021 Application Instructions document for additional help.

a) Enter information for requested processing/handler address(es) in the cells below. Be sure to include a unique Location ID name (determined by you) and six-digit "decimal degrees" GPS coordinates for each Processing/Handling site. NOTE: If approved, Location ID names will be printed on your License Certificate.

If "Yes", provide dates and details about the conviction(s) that have occurred. Attach additional information as needed.

➤ SECTION V – Terms and Conditions

Hemp Processor/Handler Application Terms and Conditions

Read each acknowledgment statement below. Initial next to each statement to indicate your understanding and acceptance of each acknowledgement statement. Failure to acknowledge each statement may result in the denial of your application.

17) I acknowledge that my application fee of \$50 is nonrefundable. Payments for the application fee must be attached to the application. If submitting your application electronically, the application fee must be mailed to the Department with the first page of the application accompanying the application fee payment. The Department is not responsible for missing information due to formatting or printing errors on the user end. The Department is not responsible for applications lost in the mail or not received.

X _____

18) I acknowledge that the Department is not obligated to ask follow-up questions during the application review process. I further acknowledge that the written responses on this application and attachments should be the sole source of information under consideration for potential participation in the Program. *Incomplete applications will not be processed*

X _____

19) I acknowledge that I may not be approved for participation with the Hemp Research Licensing Program. I understand that the Department is not obligated to accept my application for participation with the Program. Furthermore, I acknowledge that the Department has up to sixty (60) days to review an application for participation with the Hemp Research Licensing Program.

X _____

20) I acknowledge that the deadline to submit a written appeal to the Department in the event of a denial of this application is fifteen (15) days following notification of application denial. I acknowledge that I will be alerted via email regarding the approval or denial of my application. Furthermore, the decisions made by the Department are final and the Department is not obligated to accept or consider amendments, information, or documents that were not originally provided within the submitted application.

X _____

21) I acknowledge that there are various fees associated with the Hemp Research Licensing Program. I acknowledge that I have reviewed the program fees listed in Section 14: Fees & Services of the Program Rules and have budgeted my operations accordingly. I acknowledge that if approved for licensure with the Hemp Research Program, the Department will issue me a licensing invoice, and that failing to pay the licensing invoice within 30-days of receipt may result in the denial of this application.

X _____

22) I acknowledge that if approved for program participation, upon request from the Department, Arkansas State Police, or other state or local law enforcement officers, licensees must immediately produce a copy of this application for inspection, as well as a copy of their issued Processor/Handler License Certificate.

X _____

23) I affirm that if approved for participation with the Hemp Research Licensing Program that I am prepared to conduct the research project detailed within this application. Furthermore, I agree to abide by all licensing and reporting requirements associated with the Program, which includes the timely submission of reporting and request forms. Program Forms for licensed Processor/Handlers may include, but are not limited to, those listed below:

- **Processor/Handler Production Report** – due by December 15th annually for all licensed processor/handlers
- **Site Modification Request Form** – due prior to ANY changes in licensed Location ID sites; you are only permitted to implement Location ID site changes after receiving approval in writing from the Department
- **Hemp Material Transfer Request Form**—submitted to the Department as-needed prior to transferring raw hemp material
- Any other licensing, reporting, or request forms as deemed necessary by the Program

X _____

24) I agree that, if approved for participation, Department Staff, Arkansas State Police, and other federal, state and local law enforcement agencies and drug suppression units may enter into any premises where industrial hemp or hemp products are located, with or without advance notice and with or without cause.

X _____

25) I acknowledge that all physical addresses and GPS coordinates of the location(s) to be used to process, handle, or store industrial hemp must be submitted with this application. This application constitutes written consent by the applicant to allow the Department and its agents access to any listed Location ID as deemed necessary by the Department for evaluation, verification of program compliance, and progress of industrial hemp research. Furthermore, I acknowledge that any changes to licensed Location IDs must be submitted to the Department within a *Site Modification Request Form*, and that I am not permitted to implement location changes without first submitting a *Site Modification Request Form* and receiving an approval in writing from the Department.

X _____

26) I acknowledge that my name and all processing, handling and storage locations will be reported to the Arkansas State Police (ASP), the federal Drug Enforcement Administration (DEA), and other law enforcement agencies. In addition, my name, county, and contact information will be released to the public on the Department Hemp Program's website.

X _____

27) I acknowledge that I or an authorized representative of the operation who is knowledgeable about the hemp research project shall be available on location by appointment for on-site visits by the Department for the purpose of inspection or harvest/destruction compliance sampling.

X _____

28) I accept the inherent risk associated with participation in a research program focusing on a new crop. I acknowledge that both personal and financial loss may be possible and agree that the Department is not responsible for reimbursing or compensating any program participant for any loss resulting from involvement with the Program, or for any acts by the Department or its agents in the administration of the Program.

X_____

29) I acknowledge that participants are required to reapply on an annual basis, and all participants must annually complete the Processor/Handler Application and pay all required program fees invoiced to me. Past participation does not guarantee or imply automatic approval for future participation. Furthermore, I acknowledge that if approved for participation with the program, that my license will be valid from July 1st to June 30th annually, which is known as the 'fiscal-year.' I acknowledge that if I am a new licensee in the program, my newly issued license will expire on June 30th and that I will follow the established renewal protocol, which includes an additional licensing fee payment.

X_____

30) I recognize that hemp is a restricted crop. As such, it is illegal to grow, handle, store or process raw industrial hemp materials in Arkansas outside the auspices of the Department Hemp Research Licensing Program. If I become ineligible to continue participation in this program, I will be required to divest possession of all industrial hemp materials to an approved Department Industrial Hemp program participant, or destroy all of my industrial hemp materials in the presence of the Department and/or a member of law enforcement.

X_____

31) I acknowledge that I am responsible for maintaining all records associated with my hemp operations and agree to provide the Department with such records when requested, including but not limited to those for agronomics, contracts, sampling, storage, expenses, transportation and delivery, and invoices. Furthermore, I agree that all records will be kept and stored within Arkansas and made available to the Department upon request, and that an in-state agent shall be maintained for receipt of records, notices, and service of process.

X_____

32) I agree to abide by all Program Rules stated in Section 3: Land Use Restrictions, including: (1) not to grow, store, process or handle any industrial hemp within any structure used for residential purposes, (2) not to grow, store, process or handle any industrial hemp within 1,000 feet of a school, daycare, or similar public areas frequented by children, (3) not to plant or grow any cannabis that is not industrial hemp, (4) not to plant or grow industrial hemp on any site not listed or licensed within my application or approved *Site Modification Request Form*, (5) not to plant industrial hemp at an outdoor growing location of less than one-quarter (0.25) acre and 1,000 plants, and (6) to post signage at each Field Location ID plot with all information listed in Section 3(F) of the Program Rules.

X_____

33) I agree to update the Department with any changes or deviations associated with my license within thirty (30) days of a change for the duration of the license. These changes or deviations include but are not limited to changes to mailing or street address(es), company name(s), signing authorities or key participant(s) information, and contact information.

X_____

34) I acknowledge that selling or transporting, or permitting the sale or transfer of raw industrial hemp material, including living plants, viable hemp seeds, living or dried/ground leaf material, or floral material, to any person or entity within the state who does not hold a license issued by the Department is a violation of the Arkansas Industrial Hemp Act of 2017 (A.C.A. § 2-15-401, *et seq.*), this Grower Licensing application, and Arkansas Hemp Research Program Rules. Furthermore, I agree not to sell or transfer, or permit the sale or transfer, of raw industrial hemp material, including living plants, viable hemp seeds, living or dried/ground leaf material, or floral material to any unauthorized person or entity outside the state. I agree to always verify hemp license certificates and to retain copies of those license certificates before dealing business with any person or entity within or outside the state. I recognize that this type of raw hemp material is only permitted to be grown, handled, processed, or stored at licensed Location IDs within the state.

X _____

35) I agree to comply and abide by the Program sampling and testing requirements prior to harvesting or destroying any hemp plants in accordance with published Program Standard Operating Procedures (SOP) for Sampling and Testing hemp material and the Hemp Research Program Rules. I acknowledge that I am not permitted to harvest or destroy any hemp plants or hemp material without first submitting either a *Harvest Request Form* or *Destruction Request Form* with the Department. Furthermore, I acknowledge that once a *Harvest Request Form* is submitted for requested harvest plots and the Department collects pre-harvest compliance samples from those requested plots, that I have fifteen (15) days to completely harvest the requested plots.

X _____

36) I acknowledge that the Department Hemp Research Licensing Program utilizes email address communications regularly as a primary communication tool and agree to ensure to my email is checked and monitored on a regular basis for correspondence between myself and the Department. I also acknowledge that due to the time-sensitive nature of the Hemp Research Licensing Program that Program reporting and request forms are best to be submitted to the Department via email at industrialhemp@agriculture.arkansas.gov. It is my responsibility to ensure the Department receives all program reporting and request forms within a timely manner and by associated due dates. I also acknowledge that I have visited and familiarized myself with the Hemp Research Program's website (<https://www.agriculture.arkansas.gov/hemp-home>), the 2021 Grower Orientation PowerPoint, the Program Rules, and all Program Reporting and Request Forms posted on the Program's website.

X _____

37) I agree not to hinder or obstruct the Department or any law enforcement agency in the performance of their duties. I also acknowledge that providing the Department with false, misleading, or incorrect information pertaining to my hemp operations may result in the suspension or revocation of my license.

X _____

By signing below, I attest that I am the applicant applying for licensure with the Hemp Research Licensing Program and that all information contained within this *Processor/Handler Application* is true and accurate to the best of my knowledge. I further acknowledge that providing false or misleading information to the Department may result in enforcement action against me by the Department, which may result in license suspension or revocation.
