

PLANT INDUSTRIES
DIVISION

This report must be completed for each lot of labels printed and sent on a weekly or quarterly basis to:
ASPB Certification Office, PO Box 1069, Little Rock, AR 72203

CERTIFIED LABELS PRINTED BY COMPANY

Company Name _____ Date Printed _____

Lot # _____ Variety/Kind _____

Check Type of Container: Traditional bags Superbags Bulk Box
 (1 label printed per bag) (4 labels printed per box)

Total # of labels printed: _____ - _____ = _____
 Total Voided Total Valid

For Labels with Serial Numbers (preprinted or company printed):

Beginning Serial # _____ Ending Serial # _____

Use this to calculate fees owed (Do not need to submit fees until end of season)

SUPERBAGS	BULK BOXES
TOTAL BUSHELS IN LOT _____	TOTAL POUNDS IN LOT _____
MULTIPLY BUSHELS X \$ 0.08 PER BU	DIVIDE Lbs. BY 50, MULTIPLY BY \$ 0.08
= FEES TO SUBMIT _____	= FEES TO SUBMIT _____

NOTE: Fees owed on seed sold in Superbags or Boxes are as shown above. At the end of the crop season, these should be totaled, subtracting any bushels that were returned (and sent to the mill). A Preprinted Labels / BT Bags Audit Report will be sent listing all the lots printed and sent in to the Certification Office for your review, so fees owed can be calculated.

LABEL QUALITY CHECK: (Use this as a quality check for each print run)

<input type="checkbox"/> Print Placement & Legibility	<input type="checkbox"/> Labeler Name / Complete Address	<input type="checkbox"/> Certification No.	<input type="checkbox"/> Lot Number
<input type="checkbox"/> Crop Kind	<input type="checkbox"/> Variety Name	<input type="checkbox"/> Pure Seed	<input type="checkbox"/> Inert
<input type="checkbox"/> Weed Seed	<input type="checkbox"/> Other Crop	<input type="checkbox"/> Germination	<input type="checkbox"/> Hard Seed
<input type="checkbox"/> Date of Test	<input type="checkbox"/> Net Weight	<input type="checkbox"/> State of Origin	<input type="checkbox"/> Noxious Weeds (None)
<input type="checkbox"/> Purity% + Inert% + Other Crop Seed % + Weed Seed% = 100.00%		<input type="checkbox"/> Correct PVP statement used	<input type="checkbox"/> Checked By _____ (Initials)

Label should show a complete imprint
of analysis and other information
printed on labels
